

The Sang Lee Collection

[Vintage Video from Abel's Billiard Club—Astoria, NY 1989](#)

- ▶ **V-001** Larry Johnson (Boston Shorty) vs Sang Lee
This video was recorded with a stationery camera on a tripod. It was discovered by a friend and has been added to this collection because it is one of the earliest known recordings of Sang Lee. The video quality and lighting is poor and there is no commentary, but there is background audio. Digital on-screen scoreboards have been added and the video has been digitally enhanced as much as possible
